Happy New Year!

Actually, I won't be at the CropLife Conference in April as I will be out of state that entire week.

Dear Rick,
Hope you are doing well. I would like to schedule a follow up meeting of our original steering committee to discuss developments on the Center for Regulatory Science, and a separate follow up discussion on the outcomes from the workshop. I was wondering if we could shoot for April 25 just before the CLA Spring Conference? If this date looks OK for you, I will move forward with other invitations.
Best regards,
Laura
